

Context1

```
graph TD; A([Context1]) --> B([I am on the home page]);
```

The diagram consists of two ovals connected by a downward-pointing arrow. The top oval is smaller and contains the text 'Context1'. The bottom oval is larger and contains the text 'I am on the home page'. A vertical line with a triangular arrowhead points from the bottom of the top oval to the top of the bottom oval.

I am on the home page
